- Science Instrumentation Centre
- Infrastructure
- UGC Sponsored National Level Seminars
- Abstract of Expenditure for the year 2012-13
- Budget Proposal 2013-2014
- UGC Grants
- CPE Grants
- Placement
- Awards and Achievements

The following observations and suggestions were made:

- Suggested that signing MOUs with other Universities/Colleges would be more beneficial for mutual exchange of expertise.
- Advised that the extension of technology without boundaries should be made available to the students so that accessibility of Wifi to students should be ensured. This would enable students to regularly view college updates. Their keen observation would increase the vibrance of the website. The Principal assured that the same would be carried out at the earliest.
- Suggested that financial assistance for installation of Wifi connection could be applied for under XII Plan.
- Although the rate of revaluation had decreased appreciably, measures should be taken to reduce it to 5% and less.
- E-Content should be prepared indigenously by faculty members so that e-learning will provide a gateway to students.

**THE STANDARD FIREWORKS RAJARATNAM COLLEGE FOR WOMEN (AUTONOMOUS),
SIVAKASI – 626 123.**

(Affiliated to Madurai Kamaraj University, Re-accredited with A Grade by NAAC,
College with Potential for Excellence by UGC and Mentor Institution under UGC PARAMARSH)

- Suggested that tables showing results, financial data etc., should be provided with previous semesters / years data to facilitate comparative analysis.
- Recommended that there should be a wide variety of options of Skill Enhancement / Add-on Courses to equip students with multi faceted skills so that each student undergoes at least one course each year which will increase her repertoire of skills.
- Appreciated both the surge in the number of staff pursuing Ph.D and the progression in the number of Ph.D registrants.
- Commended the judicious usage of Autonomy grants.
- Opined about the ample scope of placement in the banking sector at managerial positions, thus enhancing the availability of job opportunities for students of M.Com Banking Technology.
- Enquired about the utilization of Science Instrumentation Centre by other institutions/ industries and the type of training imparted to students in Science Instrumentation Centre.
- Advised to install a collapsible partition in the proposed Multi-purpose Hall to facilitate multiple usage.
- Advised to give the Controller of Examinations, an honorarium from Autonomy Grant.
- Recommended to avail of DST/DPT funding for projects.
- Appreciated the positive growth in placement.
- Applauded the achievements of the students and staff members.
