**Report on Professional development programme / Administrative training
programme organized by the institution for Teaching and Non-teaching staff members**

2015-2016

With the growing need for skilled and professionally trained workforce, several training programmes for teachers are organized by SFRC to educate the teachers about the importance of using multi-layered, interactive and energizing methods of training to enhance the learning experience of their students and also to improve the level of long-term retention of concepts. Such training programmes keep them up with a rapidly changing student composition and evolving classroom environment. The twelve programmes arranged for teachers to enhance their standard in teaching for the academic year 2015-2016 are listed below. The programmes include counselling for teachers, faculty development programmes and workshops:
