**Report on Professional development programme organized by the institution for
Teaching and Non-teaching staff members
2016-2017**

Teachers have to stay up to date on cutting edge technology, new methods, concepts, and advancements. Teachers' professional training and professional development is a necessary ingredient to support innovative and beneficial teaching. There many training programmes/ workshops/ seminars are arranged for the teachers to update their skill and knowledge and to improve their standard in their working environment. Such programmes widen the scope for teachers and boosts up their efficiency and effectiveness.

The professional development programmes arranged by SFRC are designed to fulfill the basic functions for teachers. Apart from expanding the knowledge, these training programmes also play a key role to develop new attitudes, beliefs, opportunities for self-renewal and inspiration to maintain the same pace. During the academic year 2016-2017, the following programmes were organised by the institution for the progression of the teaching and non-teaching faculty members:

DEPARTMENT OF BUSINESS ADMINISTRATION

2016-2017

Mr.P.A.Hariharan, T.V.S. Nagar, Madurai, gave a lecture to our students on the topic, "Stepping Stones in Business" on 8th December 2016. He said, we all know that failures are stepping stones to success. Failure can make us feel ineffective, inadequate and isolated. But this stage of failure is only temporary and there are some ways to speed the recovery process. At that time, we have to choose something that are particularly knowledgeable or interested in and success will come all that much easier. 156 Students are inspired by his speech and know the ways to become successful in business.
