**Consolidated Report on Professional development programme organized by the
institution for Teaching and Non-teaching staff members**

2017-2018

Good teachers become great teachers by going beyond the call of duty and beyond the textbook. To do this, the teachers must continue their education. Teacher learning or training is a continuous never-ending process which promotes teacher's teaching skills, master novel knowledge; develop better or newer proficiency, which in return assists in improving student's learning. There are conferences, workshops, and continuing education that could give the teachers the greatest chance of success in order to meet out the new challenges in education.

The Standard Fireworks Rajaratnam College for Women, Sivakasi conducts various professional development programmes for teaching and non-teaching staff members to upgrade their knowledge and to meet out the challenges in the society. In the academic year, 2017-2018, thirteen training programmes were conducted for teaching staff members. The list of programmes are given below:
