UNNAT BHARAT ABHIYAN

GRAMA SABHA MEETING & PLASTIC FREE AWARENESS PROGRAMME

A team of 56 Students and 3 faculty members from The Standard Fireworks Rajaratnam College For Women, Sivakasi conducted Grama Sabha Meeting on 24.09.2019 in Keelanmarainadu Panchayat as an activity under Unnat Bharat Abhiyan. The Grama Sabha helps the villagers in solving their basic issues. About 50 villagers were attended the meeting and discussed about the problems relating to drinking water, Contamination of ponds and underground water and air pollution caused by Sri Hari Venkateswara Paper Mills.

Students presented Seminar on the hazardous effect of plastic bags and made villagers aware of the bad effects of polythene bags on environment, human beings and animals.

To make the awareness more effective and to spread message students took out a rally on "Plastic free Environment" Carrying placards with slogan saying "No more Plastic Bags", "Save the earth from plastic pollution" at keelanmarainadu. This rally was accompanied by the staff also. There was an enthusiasm among the villagers who participated in the Grama Sabha meeting and it seemed to be a very successful campaign.

2018-2019

Department of Mathematics

Programme : **SWACHH BHARATH INTERNSHIP - 2018**
Date : 21.5.2018 to 31.5.2018
Participants : 20 UG II year Maths students

The Swatch Bharath Summer Internship Report

The Internship was carried out in Athikulam village near Srivilliputtur from 21.5.2018 to 31.5.2018. The students commenced their Internship with various awareness programmes and campaigns on complete sanitation for 100 hours during that period. They stressed the need for better sanitation practices like keeping their home and surroundings clean, free from flies and mosquitoes, healthy practices like handwashing use of detergents. They conducted door – to – door meetings to drive behaviour change with respect to sanitation behaviours.

To drive awareness among villagers the interactive street plays were conducted using their local language. Plays were conducted to address the ill effects and health concerns of open defecation in Athikulam. These plays were well accepted by the local people as a source of entertainment and information to follow good hygiene and sanitation practices for better health. 82% of the Programme beneficiaries that attended the street plays reported it to be extremely entertaining extremely informative.

We also organized waste collection drives in households and common / shared spaces. Student volunteers segregated solid waste into non-biodegradable and biodegradable waste. We organized awareness rally about cleaning of streets and drains. Swachhata song and dance were performed in the valedictory function. The uploaded resources from the youtube channel were screened to the public.
