VALIDATION CERTIFICATE

Myself, **Dr.R.Deepalakshmi**, Professor, Department of Computer Science and Engineering, Velammal College of Engineering and Technology, Madurai, acted as External Expert and gone through the guidelines of Outcome Based Education (OBE) suggested by the Internal Quality Assurance Cell (IQAC) of **The Standard Fireworks Rajaratnam College For Women (Autonomous), Sivakasi** for being implemented from the academic year 2019-2020 for Validation.

I: After careful scrutiny, I found the various parameters used are worth implementing and approve the following:

- OBE Model
- The focus of PEO, PO, PSO and CO
- The correlation strategies between CO and PO
- The process of measuring the Attainment

II: This model of OBE is thoughtfully created by SFRC for successful implementation from the academic year 2019-2020. However, after gaining experience, I suggest the following to be considered for inclusion in the next revision of the guidelines on OBE.

- The number of PEOs shall be reduced to three by adding ethics to the PEO relating career and higher studies
- One or two subject specific PSO's shall be included depending on the specialization of the Department /Faculty
- A Course can address a minimum of 4 PO's
- The weightage fixed for Direct CO Attainment in Internal and External shall be revised to 60:40 instead of 25:75 as Continuous Internal Assessment has more Tools
- Targets for Course Attainment shall be fixed by the Course Teacher after getting approval from the Academic Attainment Committee constituted with members from each Department including Head of the Department & Senior Faculty members.
- If the Target is not attained, a report from the Course Teacher is to be obtained with strategies to improve in future.

- For measurement of attainment of PO, 70% weightage may be given to Direct Assessment and 30% for Indirect Assessment. Out of 30% Indirect Assessment, 20% weightage is given to Co-curricular and Extra-Curricular Activities; and 10% for Graduate Exit Survey.
- Measurement of PEO attainment can only be done with the Indirect Method with the following weightage:
 1. Feedback from Employer -20%
 2. Feedback from Alumni -30%
 3. Feedback from Parents -10%
 4. Percentage of Graduates progressing to Higher Studies - 20%
 5. Percentage of Graduates getting Placement - 10%
 6. Percentage of Graduates becoming Entrepreneurs - 10%
- For Effective implementation of OBE, the Question Paper Pattern of Continuous Internal Assessment (CIA) / End Semester Examination can be revised considering the following aspects:
 - i) All sections should be of Either OR Type or Compulsory Type
 - ii) There should not be any question on open choice category
