The Department of Physics conducted the International Webinar on “Spectroscopic Techniques for Energy Materials Characterization” on 23.07.2020 at 11.00 am to 12.00 pm via google meet (online platform). Dr. F. Kingslin Mary Genova, Associate Professor, Department of Physics delivered the welcome address. Dr. S. Selvalakshmi, Assistant Professor of Physics introduced the resource person. The resource person Dr. Arunkumar Dorai, Assistant Professor, Institute of Multidisciplinary Research for Advanced Materials, Tohoku University, Sendai. Japan, clearly explained about the various spectroscopic techniques and its applications for energy storages. One hundred and fifty participants including staff members and students actively participated in the webinar. Finally, Dr. R. Sudha Periathai, Assistant Professor of Physics delivered the vote of thanks. The webinar is appreciated by the participants from their 150 feedback responses.

About Our Institution

The genesis of The Standard Fireworks Rajaratnam College for Women stands on the strong base of empowering women in the field of education in semi-urban town of Sivakasi. Established in 1968 in memory of the philanthropist, and fireworks industrialist Thiru.N.R.K.K.Rajaratnam through its fifty-one years of intensive service, the institution has stitched a place for itself in the fabric of this cracker city's rich history and heritage. The intellectually challenging environment constantly steers young women towards intellectual, social and financial mobility. Being affiliated to Madurai Kamaraj University, Madurai bestows with Autonomy in 2005, re-accredited in 2008 and 2012 with 'A' Grade status by NAAC and recognised as College with potential for Excellence in 2011 and granted extension up to 2022 by UGC. The College is as much sought as a premier women's institution in the state.

About the Department

Year of Affiliation

- * U.G : 1984-85
- * P.G : 2004-05
- * M.Phil : 2014-15

Academic Excellence

- * High percentage of Passes
- * Many University Ranks including First Rank
- * Conducted a two day State level seminar on Nanomaterials "NANO-2007".
- * Conducted a two day District level workshop "ENUNE" for the P.G.Physics Teachers of Aruppukottai Educational District.
- * Organised an Inter-Collegiate Meet, 'PHYGEO 2005'
- * Conducted one day State Level Workshop on Impedance Spectroscopy and its Applications.
- * Conducted District level Quality Enhancement Programme for secondary grade science teachers sponsored by TNSCST.
- * Conducted two days National Seminar on "Recent Trends in Physics" sponsored by UGC.
- * Conducted two days National Conference on "Materials for Energy Devices"

- * Conducted two days National Conference on "Advanced Materials and its Applications"
- * Conducted demo on physics experiments for the benefit of school students.
- * Exposing students to explore innovative ideas through conducting science exhibitions.
- * Publishing the project work of our UG and PG students in UGC approved Journals.
- * Availing funds for doing PG Projects from TNSCST.
- * Availing funds for minor research projects from UGC.
- * Participating in Summer Training Programmes.

Focus of the Workshop

- * To Visualize the formation of nanofibres by Electrospinning technique.
- * To impart an insight and indepth knowledge on different characterizations and applications of nanofibres.
- * To enable the faculty and students to undertake minor / major projects in these fields.

About The Institution

The Standard Fireworks Rajaratnam College for Women was founded in 1968, in memory of late philanthropist Sri **N.R.K. Rajaratnam** with a vision to empower the young women by intellectually equipping them to confront the challenges of everyday life. The College is affiliated to the Madurai Kamaraj University and situated on the Sivakasi - Thiruthangal Road. The College has witnessed the expansion of infrastructure and the introduction of an array of new programmes that have transformed young women into successful career women. SFRC was crowned with A grade in the III cycle of accreditation by NAAC and was bestowed with the unique honor of “**College with Potential for Excellence**” by UGC. Establishment of Science Instrumentation Center in 2010 with sophisticated instruments facilitated the research activities of students and faculty.

About The Department

Department of Physics was established in 1984. It has UG, PG and M.Phil courses. The department has achieved excellence in academic and research work. Faculty members have presented their research work in International /National conferences and have many research publications. Staff and Students have availed fund for their research activities from UGC, TANSOST and DBT.

Objective of Workshop

Objective of this one day workshop is to provide basic knowledge of electrochemical impedance spectroscopy with necessary theory and its usefulness in its applications such as,

1. Study of Electrode - Electrolyte through electrical double layer & diffusion layer
2. Electrochemical reaction at the surface & interface reaction
3. Corrosion Study
4. Batteries, Fuel Cells
5. Research in understanding and affecting process in brain, predicting sudden cardiac death.

Speakers

1. Prof. Bosco Emmanuel,
Chief Scientist (Rtd),
CSIR-CECRI, Karaikudi
2. Prof. S. Selvasekarapandian
Director, Materials Research Center,
Coimbatore.

Registration Fee

**M.Sc. / M.Phil. Students - Rs. 300/-
Ph.D. Scholars / Faculty - Rs. 500/-**

Those who are interested in the workshop may send their application form giving their Name, Address, Phone No. and E-Mail ID along with DD drawn in favour of “The Principal, S.F.R. College for Women” payable at Sivakasi on or before **25.02.2016**.

DEPARTMENT OF PHYSICS

GUEST LECTURE

Resource Person : Mr. D.Suresh,
Associate Professor,
Department of Physics,
V.H.N.S.N.College, Virudhunagar.

Session I : Digital Technological Development

Session II : Mathematical Concepts of Physics

Session III : Quantum Mechanics

Venue : Techno lab

Date : 19.09.16

Time : 9.45 a.m. to 3.00 p.m.

Staff-in-charge
