#### About the Institution

"The Standard Fireworks Rajaratnam College for Women" was established in 1968, in memory of the late philanthropist Thiru N.R.K.K. Rajaratnam for the upliftment of rural women in and around Sivakasi. Our college offers 20 Under Graduate Programmes and 13 post graduate programmes and 3 M.Phil and 2 Ph.D programmes. In the academic year 2017-18, the college crossed the glorious Golden Jubilee milestone and the laudable tradition of women empowerment still continues.

#### About the Department

Our department is one of the pioneers of the college. The department of chemistry has its inception from the year  
**1975- 76 - B.Sc.; 1985- 86 - M.Sc.; 2007- 08 - M.Phil.**

Our laboratories are fully equipped with sophisticated instruments like UV-Visible Spectrophotometer, FT-IR Spectrometer, Luminescence Spectrometer, DSC, TGA, GC-MS, AAS, HPLC to ensure research in the advanced levels. We also have organized two UGC sponsored national level seminars and one international seminar.

### ABOUT THE COLLEGE

Sivakasi is an industrial town with a rural background in Virudhunagar District, Tamil Nadu and is at a distance of 75km south west of Madurai. "The Standard Fireworks Rajaraman College for Women" was established in 1968, in memory of the late philanthropist Thiru N.R.K. Rajaraman, whose pioneering spirit in business and industry has earned for himself an indelible niche in the annals of Sivakasi.

It started functioning with the noble vision of uplifting the socio-economic status of rural women in & around Sivakasi and equipping them to confront the challenges of everyday life. With the liberal financial support and constant guidance of the Management, the college has emerged as one of the Best Colleges for women education.

The National Accreditation & Assessment Council of Bangalore, crowned SFRC with the Five Star Status in 2002, followed by the renewed award of 'A' Grade in September 2008. In the Third Cycle of Accreditation SFRC has again been awarded 'A' Grade in 2014. On 16<sup>th</sup> September 2011 the college was bestowed with the unique honour of "College with Potential for Excellence" by UGC.

### ABOUT THE DEPARTMENT

The Department of Mathematics is one of the oldest Departments in the college. Teaching of Mathematics started right from the inception of the College at P.U.C. level. The Department of Mathematics offers Graduate and Post graduate Programmes under Choice Based Credit System. B.Sc Mathematics with Computer Applications was started in 2015 as a Self Financed Programme. The Department has 14 Faculty Members to strive hard to maintain a record of good service with the vision of offering quality teaching, inculcating social responsibility and blossoming of human excellence.

The unique feature of the Department is that it has been coordinating the Virudhunagar District Cluster Colleges Programme in Mathematics for the past 27 years. The Department has registered a steady growth, right from its inception in 1968, strictly adhering to the visions of the College. It caters to the overall development of the students through various Competitions, Seminars/Workshops/Conferences.

### ABOUT THE SEMINAR

The main aim of the seminar is to bring out the knowledge & the expertise of the academicians & research scholars of various colleges, Universities & research institutions & to make it accessible to the students community. Further the seminar aims to

- ☞ Create a platform to discuss the current trends in interdisciplinary perspective so that we can agitate the minds of researchers & learners.
- ☞ Promote & strengthen the research work among the students.
- ☞ Enrich the knowledge of budding scholars and faculty members in various fields of Mathematics.

### CALL FOR PAPER!

- ☞ The organizing committee of the seminar invites papers from PG Students, Research Scholars and the Teaching Faculty on any branch of both Pure and Applied Mathematics.
- ☞ All accepted papers will be peer reviewed and selected peer reviewed full papers will be published in the reputed journal after the seminar with additional charges.
- ☞ Selected peer reviewed full papers will be notified by 15.12.2018.

**News report**

Intracollegiate Lecture Workshop on “**Renewable and Sustainable Energy Sources**” organized by the Department of Physics, The Standard Rajaratnam College For Women, Sivakasi on 15.09.2018. The lecture workshop was inaugurated by Dr. T. Palaneeswari, The Principal, The Standard Rajaratnam College For Women, Sivakasi. Dr. S. Sivadevi, The Head, Department of Physics welcomed the invited speakers and the participants. Dr. N. Prithvikumaran, Head and Associate Professor, Department of Physics, VHNSN college, Virudhunagar. Dr. N. Jeyakumaran, Associate professor of Physics, VHNSN college Virudhunagar, Mr. P. Pandaram, Senior Scientist, Kudankulam Nuclear Power Project, Tirunelveli delivered the talk on various titles such as Solar, thermal and Photovoltaic applications, Energy technology for Green Economy and Nuclear Energy. The India secured the fifth level in the world for wind energy production. Particularly, TamilNadu is in the tenth place in the world for the wind energy production. The importance of solar and wind energy awareness were created to the students by the prominent professors. The various tools used to produce the nuclear energy and their significance was given by the outstanding scientist. The participants were benefitted by the discussion with the eminent professors and scientist from VHNSN college and Kudankulam Nuclear power Project. Research contribution and innovative ideas of their research highlights were discussed clearly. Finally, Dr. K. P. Radha welcomed the gatherings for the certificate distribution and feedback session. The workshop was concluded by the vote of thanks delivered by Dr. K. Radha.

Topic: The applications of electroanalytical techniques

Miss.Divya Bharathy of II M.Sc. Chemistry welcomed the gathering, Dr S.Shanthi, Research Coordinator of Department of Chemistry, introduced the Chief Guest, Dr.Vedhi, Assistant Professor, Department of Chemistry, V. O. C. College, Tuticorin.

In the I session, Dr.Vedhi, addressed the students about the applications of various electroanalytical techniques like cyclic voltammetry, amperometry, chronoamperometry and polarographic techniques. He gave an explicit idea about how these techniques can be used for carrying out research in various fields of chemistry. Some thrust areas like devising sensors applicable for medical diagnosis, pollution monitoring and drug designing were discussed. Knowledge about Instrumentation and analytical techniques is highly essential for getting job in Pharmaceutical companies and research laboratories. He also gave an account of the possible CSIR questions in electrochemistry.. In the II session he demonstrated the working of the electrochemical analyser to the students of I & II PG Chemistry. The meeting came to an end by vote of thanks proposed by Dr. N.Umasankari, Assistant Professor of chemistry.
