College with Potential for Excellence by UGC and Mentor Institution under UGC PARAMARSH)

Research Ethics Committee

Role:

- The Committee will work towards creating a healthy research environment for a global cause.
- Inculcating ethical values will be the primary concern of the committee thereby promoting quality research.
- The committee will strive to provide a progressive environment for research purpose.
- Technological tools available to check ethical conduct of the researchers will be made available in the campus for easy access.
- Legal procedures related to research will be updated to the researcher when needed.
- The research conduct of the researcher will be continuously monitored till they complete their research.
- The Head of the Institution will be immediately informed about the researchers who fail to follow the research ethics drafted by the college and the UGC.
- Academic programmes related to research ethics will be organized with the help of experts in the same field.
- Changes made by the UGC or the college regarding research ethics will be constantly updated by the committee to the researcher.
