Certificate from Supervisor

This is to certify that **Ms. Shakti Chandravadhana**, a student of M.Sc. program at The Standard Fireworks Rajaratnam College for Women (Autonomous), Sivakasi has spent a month during the summer of 2016 (June 1, 2016 to June 30, 2016) at the Centre for Biotechnology, Kalasalingam University. Shakti is a studious student who learned many new techniques in a short period of time. Initially she was trained in basic bioinformatics skills including tools like Autodock that can be used to study the interaction of a protein with small molecules. Later, she was trained in biological synthesis of nanoparticles and their characterization using Scanning Electron Microscopy with EDX, XRD and FTIR.

Shakti is an energetic student who is eager to learn. She was independent and could also work as part of a team. I am sure wherever she goes she will succeed in life.

I wish her all success.
