FEED BACK

Very Useful workshop. Resource Persons are highly knowledgeable. Hardworkers. They trained us well, towards CSIR-NET exams. They motivated us. They gave us a clear, full vision about the NET exam. They trained us by giving Tests. We felt easy to do the previous years CSIR NET Questions with their help. The resource person taught us shortcuts & how to eliminate given options wisely, etc, they are all useful to us. Course materials are also provided to us in the form of both hard copy & soft copy for our future use. Nice lunch, accommodation at reasonable cost is provided. Very different, exciting, useful workshop.
