OFFICE OF THE CONTROLLER OF EXAMINATIONS

REPORT OF THE FEED BACK FROM EXTERNAL QUESTION SETTER'S (OBE)

FROM 06.09.2019 TO 19.09.2019

- புது அனுபவமாக இருந்தது பாராட்டுதலுக்கு உரியது. Unit வாரியாக சமமான மதிப்பெண்கள் மாணவர்களுக்கு வினாத்தாள் அமைத்தால் அருமையாக இருக்கும்.
- ஒரு நாளில் ஒரு வினாத்தாள் அதற்குரிய விடை (Scheme of Valuation) எடுத்தல் சிறந்தது.
- OBE pattern method of setting Q P is task oriented for faculty. But student centric. This practice definitely will create analytical, creative level thinking in students. Really this pattern is excellent.
- Fully satisfied.
- It is really a wonderful job & I feel that the OBE pattern of the question paper is very much useful to the student community for which we can be able to evaluate the answer script on the basis of students capability understanding capacity.
- Give more option for course outcome.
- Excellent work, keep it up Madam.
- Time may be given for writing schemes by allowing the setters to prepare the same at residential and send through the mail.
- Unit wise syllabus can be little bit more informative up to latest developments.
- Excellent method, good guidelines and useful.
- New & useful system. Welcoming this and will give suggestions for this type of up gradation to our Institution.
- Updating is very useful for us. Thank you for the arrangement.
- I have to appreciate your question setting system because it is very useful for us.
- I have to appreciate your question setting system because it is useful for us.
- The syllabus maybe arranged in course outcome based in examiner's copy.
- It is humbly suggested to allow the Examiner (Question paper setter) to set one question paper in a day.
- Provide adequate time for question paper setting and scheme.
- For problem papers K5 and K6 is not possible. In Section – B incorporating all course outcome is difficult.
- Very Excellent.
- Good Hospitality, Excellent upgradation, need of the hour, time constraint.
- Only one Course can be given in 2 sets for setting.

- Excellent.
- This Scheme is very useful for students.
- Excellent work to be carried forward for coming years too.
- Please provide equal weightage to all the units for taking questions.
- I have to appreciate your questions settings system. Because it is useful for us also.
- Keep the system of settings in future also. Thank you.
- It is Great experience to realize out knowledge to apply. Bloom's taxonomy very good step.
- The Concept of OBE is followed in a proper way and consequently it increases the standard of the course. But the concept of CO's has a little bit of confusion with unit wise system.
- The system you are now following in implementing the OBE is very good.
- Time exceeds one question with scheme, if possible enhance the DA to Rs.250. Because time taken is nearly 10 hours (10 a.m. to 7 p.m.)
- Please give only minimum number of question terms for each CO & K. level.
- Please avoid the repeat terms appearing in more than one CO's & K's making confusion.
- Good.
- Send materials along with syllabus before one week which will help to set questions in your CO pattern.
- Excellent Arrangements.
- Your care & Guidance provide us a wonderful environment.
- Hospitality is nice. One day is insufficient.
- I am very happy to set these question papers.
- Everything is good.
- OBE question paper setting Arrangement are done very well and very good Hospitality.
- Very good Materials to take questions and detailed schemes.
- Less than adequate content for syllabus.
- Excellent syllabus.
