## INTRODUCTION

Examination and evaluation are effective tools for the assessment of students in the academic system. The progress of each student in our college will be recorded continuously by internal assessment. An examination conducted at the end of each semester will be considered for external assessment.

To reach this goal the Office of the Controller of Examinations of The Standard Fireworks Rajaratnam College, Sivakasi prepares a comprehensive schedule of the general activities of this Office such as CIA Tests, End Semester Examinations, Fee Collection for Regular and Arrears, Valuation dates and Awards Committee Meeting as per the finalised college calendar.

Based on the schedule, this office notifies and communicate its functions to the department, in the college website and notice board for students.
